“ I'm so sorry for your loss! Tom was a very kind and gentle person who would help in any way he could. He was very committed to his family. My first memories were of your family as neighbors and babysitting clients. I felt horrible when I had to call you home from vacation when Tom (aka TomTom) caught the measles (or maybe the mumps) while I was babysitting! You took it all in stride. He was always so easy going and understanding. I later became his client when I was old enough to file taxes.

How things have changed! The kids have grown and have families of their own now. You have such a beautiful and successful family of which I'm sure Tom was extremely proud! He remains with you in spirit, though it obviously is not the form preferred. He did much for the community and will be sorely missed by everyone who knew him.

My thoughts and prayers are with all of you!
