“ Dear Judy, Scott, Shawn, and Sally.

Please accept my deepest condolences. I was shocked to hear about Tom's passing. When ever I returned home I made it a point to stop in and say hello. I will sadly miss seeing Tom at the dealership and listening to him tell the customers stories about my younger days at Uptown Sales. Tom was always there when I needed help or career advice and he would always go out of his way to help me achieve my goals. Tom was not only a friend but someone I looked up to as a father figure. I will miss his energy, advice, and friendship.

I hope you find comfort in knowing that he is in a better place.

“ Tom was a true friend. While suffering through his own health issues,he took the time to listen,comfort,and advise me when I was in need of a shoulder to lean on .

He never complained of his own pain and illness.

He did tell me of the pride he felt of his children and of his life with

Judy.

I feel honored to have shared a friendship with him.##imported-begin##Oran Skeldon##imported-end##

“ My sympathies to all of Tom's family.

I saw Tom regularly in the last few years when both our mothers were at Butterfield Court. i;½Tom started off each day with an early morning visit to his Mom - and her face always lit up at the sight of him or the mention of his name. i;½He was a loving and devoted son.##imported-begin##Nancy Neal##imported-end##

“ My deepest sympathy. It is hard to lose a loved one but he is in a better place now. I prayed for Tom everyday and it was amazing how he bounced back. His positive attitude and enthusiasm were remarkable. An example for all of us to follow. He left a beautiful family and you have each other to lean on.

God Bless You All.

“ Shawn & T and the rest of the O'Brien Family

 Jackie and I are going to be out of town Friday. We wanted to let you know that you are in our prayers. Your dad was not cheated by life. He enjoyed every moment of it! It was always a sincere pleasure to see him at which ever grandchild's athletic event he chose to attend on a given day or night. He so much enjoyed those games and you could see how proud he was of that particular grandchild through his enthusiasm on the sidelines.

 As hard as it is right now, please know that he is no longer suffering and is in a better place! Take care and remember you are in our prayers.
