“ Uncle Tom was a one of a kind. His innovative way of thinking was known to all who came in contact with him. If you couldn't fix it, Tom probably could. I always enjoyed their visits to Arizona which they did frequently especially when Ed and I were younger. Our families were very close being that Tom is my dad's brother and married my mom's sister Wanda (I know that sounds crazy but it is very cool that Ed and I are 'double cousins'.) He loved the twins and they loved him. We will miss Tom very much but his spirit will continue to live in our memories of him and in our hearts.
In loving memory of uncle Tom,
