“ Tommy the Tanker was always a smiling face whenever I visited the Starcon office in Illinois. He was of integrity and humble, but most of all he was someone I was proud to call my friend. It had been too long since we last visited, but I know the next time we do we will not have to part ways. Rest in peace my friend.

“ Tom was not only an amazing leader but a great friend as well. This man had a heart of gold and would do anything for anyone just to see them smile. He welcomed me with open arms when I became part of the Manhattan Mechanical team and I truly felt included because of him. He touched so many lives and will never be forgotten. Rest in Paradise my friend!
Condolences to Sophie and Tom.
