“ I'm gonna miss you so much Tim. I'm going to miss calling you every morning talking to you on the phone, going out with you on the weekends for dinner, or just coming over and talking to you and keeping you company. Too many memories to post but we sure had good times. I love you brother and will miss you dearly. 🥺❤️🙏

“ For my friend

For Tim, golf wasn't just a sport; it was a passion that brought him closer to his friends and provided countless moments of camaraderie and fun. Tim was not a great golfer but neither was I. I guess that's why we liked golfing together.

Tim was a talented truck driver. I'd seen him do things no other driver would attempt let alone complete. He took great pride in his work, and his reliability and commitment earned him the respect of his coworkers and friends.

Tim was the quintessential “man’s man”—Someone who combined a strong personality and a deep, caring heart. While he could be quick-tempered, those who knew him well understood that beneath it all, he was a man of warmth and integrity. He was fiercely protective of those he cared about and always ready to lend a helping hand.

I will always miss him.

Sorry to hear this sad news. Had some good times with Tim and our neighborhood friends. I'm sad we lost touch along the way. Prayers for the family.
