“ I first met Tim in the 60's when he worked at Roper's with my ex husband.

They would ride to work together and Tim liked to come early and play with my boys. i½Later, he worked at Ward's and with my brother at Lang's

 i½i½My fondest memory is of the time he convinced my ex that he could cut hair because he had a relative who was a barber. i½Well.. i½he cut and we laughed until I thought I would get sick. i½The funny part was that my husband thought Tim and I were kidding about how bad it was. i½

 i½i½Tim was a nice guy and always had a smile or time to talk. i½

 i½i½i½I know he will be missed.##imported-begin##Dorothy Posing##imported-end##

“ It was about 1959 when I first met Tim when he was working at Wards and I was working at Walgreens at the fountain after school and on weekends. I always liked him and the Wards bunch and I shopped there for many years. Later we would see each other at Langs as my brother worked there for a long time too. I never had a cross word to say about him nor did I hear anyone else say anything but good things about him. He will be missed.##imported-begin##Rich Miller##imported-end##

“ Tim was one of the older kids in my neighborhood on the south side of Kankakee that I looked up to and respected. ĩ½We affectionately referred to him as "T-Bone". ĩ½His father, a barber, gave me many "White Wall" haircuts. ĩ½Although I hadn't spoken to him since those days in the 50's, I always remembered him as a very nice guy who will be missed by his family and friends.##imported-begin##Jerry Bjick##imported-end##

“ So sorry to learn of Tim's passing. ĩ½We were friends when we all worked for Montgomery Wards. ĩ½Tim and Bobbi lived in an apartment on East Court Street with their first born son. ĩ½The Wards bunch often got together at someone's home for cards and eats. ĩ½Tim was always the comedian. ĩ½##imported-begin##Buff and Bev Bufford##imported-end##
