“ I was so saddened to hear Tim had passed away. We hadn't seen or spoken to one another in many years. Tim and I used to sit next to each other in some classes and of course in the back of the room where we would make each other laugh constantly. Tim could mimic a teacher or classmate to a T. He was amazing and had a gift and enjoyed using it to make people laugh. Whenever I think of my High School days and the fun I had, I will always think of Tim.##imported-begin##Dan Blais##imported-end##

“ Timmy:

My symapthies to the Kilbride Family.
ĩ½Tim and I would often reminisce about our youth, Little League,
CYO, and playing sports of any type. Timmy would often stop by our
office entertaining us with his 1,000 voices. ĩ½An awesome talent,
we particularly enjoyed his appearances on WGN. ĩ½
