“ Marie, Joe and family so sorry for the passing of Timmy. I remember  
Tim somehow would get out of the house and come walking down  
the sidewalk and he never got to far and someone would be coming  
to get him. He would have a smile on his face because he new he  
wasn't suppose to be out by himself !! May he Rest In Peace.

“ *The most memorable picture I have a Timmy was sitting outside of 55 Kim Drive and he sat on my little red Honda scooter. We didn't have cell phones back in the day but somehow we captured a picture and that will forever live in my memory ☐*

“ *I was like 2 when we met. Timmy was a funny guy. I always loved that he was caring to all and he would tell everyone he was taking his wife and baby to Hawaii. And a very big cubs fan best team around. Loved when his mom would tell him no to a certain food at parties and he would get all mad and mumble stuff under his breath. Timmy will be missed dearly. “ Such great memories of Timmy. From "Are you going to be like this all day?" (When he didn't get the answer he wanted) to being a waitress and getting our orders, to his "wife" having a baby to taking them to Hawaii and so many more. Gosh we loved that boy. Sending many hugs to you all.
