“ I didn't know Tina well. But my fiance did and he loved her. They were friends for a long time, and i k ow he'll miss her. When i met tina i wasn't sure what to expect. But what i got was this-a woman who lit up a room when she entered. With a huge personality and an even bigger heart. I know she will be sorely missed by so many people....

“ I am so very sad to learn about Tina passing. She was a great person and good friend and cousin-in-law. Keri & Morgan - my heart breaks for you both and for your kids. Your mom had a heart of gold as you know and she will forever be in my heart. We had some great adventures growing up and please know that I think about you both often. She will be deeply missed.

“ I used to work with Tina when she was a bus driver for Kankakee. She was a very good person and always trying to do something for someone. And she would cook food and bring it to work. She was a very good person and she will be missed. 🙏🙏

“ I am Tina's cousin. My Mom, Mary was Bill Shannon's sister. I was saddened and shocked to learn of Tina's passing. I pray she is at peace in the arms of Jesus. I offer my sympathy and prayers to you, Aunt Bonnie and Keri and Morgan. I hadn't seen Tina in years until we re connected at uncle Hank's funeral. We spent time together at a party at Colleen's and have been messaging back and forth every couple of months. She was a proud Grandma, she shared pictures with me. She loved her family. RIP Tina.

“ I met Tina several years ago working together. And from the day I met her she was always a riot. We would laugh all day at work about anything and everything to the point of tears. Then we started going shopping together, out to dinner, birthday and holiday celebrations, my T-Bone was a good time. She always made me feel warm, welcomed, and most importantly loved. My children love Ms. Tina. And I will genuinely miss her. I thank God we crossed paths and became amazing friends. I will cherish our memories forever. Rest easy my dear T-Bone. Til we meet again.
