Dear Tina.. May you R.I.P. I will never forget the fun times I shared with you and Mike. The times I will always remember most..I was standing by my Brothers side (His Best Woman a.k.a Best Man) when you married him. Then the times of course sitting at the dining room table, or out by the pool, singing our hearts out and jamming to music! You will always be in my thoughts! Love and Miss you!!

*Sister Sherry,
Thank you for lighting a candle and remembering a few good times we shared together. Tina was very happy the day you agreed to do kind of an unorthodox thing by standing by me in place of a best man. That was a day I will always remember and cherish. I would have loved to have had everyone that attended that day be there when I surprised her on our 5th anniversary,after finding her cancer, in Wisconsin and had bought new rings and a priest re-marry us on the waters edge without her ever knowing what I was up to.*

I am grateful for your support and being there for Tina.

Dear Jan, Thank you so much for all that you did for Tina and I. The timing on your being here for Tina could not have been any more well placed. Your final prayer for her over the phone at her passing, gave her the strength to grab the Lord by both hands and free herself from the pains and suffering. I will never forget you for all that you have done, as you are always in my prayers. I'll keep your number so I may contact you from time to time so you can make sure I'm keeping in "check". God has blessed you. Please take care.. Mike and Buster

I am so sorry to hear that Tina passed. I hope you find comfort in the fact that she is not in pain or sick anymore. When we would run into the two of you I was always amazed at how much of a fighter and how strong she was. She fought hard and was very brave. She is with God now. I hope you heal quickly from your loss. I am praying for you.
