“ *What a lovely tribute to a BEAUTIFUL person. I live in California and didn't know how to communicate with your family. Todd was a BBCHS friend. He and I talked almost daily at school and at sports events and parties. He was one of the most kind, gentle, well loved students in school. I feel a great loss to the world has happened and yet Angels are rejoicing to finally have their brother help watch over us here. God bless your family and know that he was such a wonderful person to call friend.*

“ Struggling to find the words. Each day you remain in my heart and my thoughts. I so wish that the sadness that is felt could translate into something of value because it would be enough to lift and comfort you but a loss so great leaves me with only prayers and loving thoughts of your beautiful family. You are all held in the highest regard. It has been a privilege at a distance to witness the love that created such a loving family. In quiet moments, I hope that somehow you will know that there are people like me quietly thinking, praying and shedding tears for you. We too, so wish that this reality was not yours to bear. God love your all.

“ Words can not express how sorry I am for your loss. Todd and I were friends in high school and the memories I have I can clearly see are shared by all. He had an amazing smile and could make anyone feel at ease. He was fun and cared for EVERYONE ... which shows his incredible warm character. What a loss to us all but what a wonderful gift of himself he left for everyone.. We are blessed to have known him and share his life. God bless you all and warm regards. Rebecca Salkeld.

“ Anna, Jake, Matt, Hannah, Aunt Nancie, Uncle Jerry, Matt and the Hildebrand Family, We are so sorry to hear of Todd's passing. We are thinking of you and keeping you in our prayers. Although we had not seen Todd in many years, I will always remember what a sweet guy he was. At Erika and Mark's wedding, he made a little "bed" out of some chairs and cushions for then three year old Hillary to lay down on at the reception because she was so tired. Such a thoughtful thing to do. God Bless you all.

“ Anna n family

I am so very very sorry to hear of the sad news. I had just got back from training in the desert when in heard of the terrible news. I had just seen you Todd at my moms wake an when I had talked to him he had brought up a memory that put a smile on my face in such hard times I was having n I thank him for it. Anna you might remember this but to Todd n me definitely do. ItThe 1st time I met Todd was at Saint Rose church. After all was done I was leaving and walking down the steps. Well I had seen you n wanted to say hi. But when I was walking down the steps so casually to say hello to you I tripped and about fell down the steps. Well Todd caught me and you were snorting n laughing but then you introduced us for the first time. I totally forgot about that till he brought it up again n put a smile on my face. That was the person Todd was. Always helping people in need. My mom was very right about him. He was a very great man.

Please except my condolences and sympathy anna.
