“ Wow! I can believe such a Beautiful and most loving person could just be gone from people who loves her, Tracy was a strong woman who showed everyone so many wonderful things in this life.I still remember the moments she shared with us the Dorsett's Family.Tracy was the most caring and most of all Tracy gave all her heart and trustfullines to those who would be around in her life. Tracy was a person whom you could talk and be heard not ignore. I mean I just can explain how such good people can just

fly away in such a quick way! I guess when god needs you there is nothing we can do. We can not go against his will if he needs us. To Brittany & Nathan I know that right now there is nothing that can help you all figure it out why us why? But just remember Tracy Loved you both with all her heart! She will be your angel in heaven and She will always be with you. Remember we are here for you all! No Matter What!

Love You All! i½i½##imported-begin##Rosie Dorsett##imported-end##
