“ My favorite memories were when I got you a full case of AquaNet Hair Spray. You ran around the club showing it to just about everyone and my other memory is when Juliet was playing the OP in Daytona and I asked you what you wanted for your birthday and you asked for an original StLouis Cardinal baseball jersey and you got it and I think you slept in it the 1st night.

“ Ty buddy I miss you! I will remember when Ryan and I met you at the capitol records building for that video shoot to feed the starving people of Africa. That was about 1989. We were in the green room down in studio one while the guys from Toto were land basic tracks! You always seem to have complementary tickets and I just happen to have a car to drive us to shows and events in Los Angeles! You're one of the coolest guys I have ever met and a good friend to all that no you! You looked amazing on stage and your bass chops were just thumping, in the pocket and amazing! I remember when you showed me the poster of Wendy Westerbrook in your hallway at your apartment on Orange Street in Hollywood. I went to a Michael Bolton's bombers versus Rick Dees celebrity baseball game down in Hollywood that night. I saw Wendy there with Rick Deas and I said "hey Wendy where the heck is Ty, is he coming tonight?" "When do you look kind of stunned. She had that great show on kiss FM it was kind of like the call In, love hour talk. I would be laying in the tanning bed at city town in Studio City, your phones on, and I would hear Wendy dedicating all the songs to her boyfriend Ty! L O L I'll meet up with you in heaven my friend God bless you and your family. Michael Healea now of Seattle Washington.

“ To the westerhoff family so I was an amazing human being and he was so much fun and so full of life for so long and I want to remember him as being that guy that didn't put hairspray in his hair LOL and he was just a normal guy playing music :-) with so much talent and love to give.

“ To the entire Westerhoff family:

May God be with you during this difficult time!
As you know, Ty & I had been close friends since my Freshman year of high school and yes, we met at the Skating Place.
Ty picked me up in his Rambler to go skating.
I didn't live far from the skating rink, but Ty always insisted he pick me up, as he use to tell me that I didn't need to be walking if I didn't have to.
I remember the first time I met you, Mr. & Mrs. Westerhoff.
I remember being at your house on 7th Ave., and we would talk & Mrs. Westerhoff, you'd always make sure I had something to drink.
Ty & I shared a lot together; great times, sad times, talked all the time, whether about his girl friends, basketball and to great lengths about his love for music, his aspirations to "make it to the top" someday, his passion for art, anything.
The most touching, straight-to-the heart memories I have of Ty was the beginning of my Sophomore year when Ty would always come over & ask me to listen to the new songs he had written.
(My Dad, God rest his soul, would say: "Maynard, Blonde is here again with his guitar".)
Ty had a gift, many gifts, that God truly blessed him with & Ty put his heart & soul into all he did.
I know he is at peace; no more pain, no more suffering.
I wish I would have been more persistent in my calling you & I should have stopped over anyway to see how all of you were doing.
Ty, thank you for the wonderful memories, the wonderful friendship & most of all for "YOU"!
You will always have a special place in my heart & my children think a great deal of you!!
(Mr. & Mrs. Westerhoff: I promise to keep in touch with you!)
May God bless you!
With love & friendship,

“ May god give the Westerhoff family and friends the strength to find peace with in. This past Feb I lost my closest friend in an auto accident so I can feel some of your pain. I was determined to make something good out of the tragedy. and I did. We all did. Find the good in Ty's passing. Dig deep down inside yourself and let Ty help you make a life altering discovery. I don't mean to sound to deep. It helped me give purpose to my friends passing and maybe it might help you.

I have been out of touch for some years now, but Linda keeps me up to date. I am so saddened to hear that Ty is gone. Every November I pull Sue's photo albums out and look through all the great photos. What great times we all had. Those crazy 80's. The clothes and hairstyles. Many of you know how fond Sue was of Ty so imagine the great shots I have of Ty and the band as I am sure many of you have as well. I did not know Ty as well as most of you but when I think of him, kind soul, comes to mind. That is what he was to me. ½And remember...

If you think about calling someone DO IT RIGHT THEN! Don't wait.

Take care and I wish everyone comfort and peace.##imported-begin##Michelle Zelones##imported-end##

“ To the Westerhoff Family:

My heart go out to you during this difficult time. He was gifted, talented and truly loved by many. Like someone mentioned, he had an contagious laugh. Yes, his laugh was amazing. He had a smile that could light up any room at any time. Those dimples: who will ever forget those dimples? Surely not I. My friends here in California and Iowa will miss him greatly, and will keep you all in our prayers.

God Bless You!

“ I met Ty in 1988. I played trumpet sometimes for his band. Ty loved the Beatles. He was an amazing talented songwriter. Ty had a million girls throwing themselves at him. Ty could have two nickels in his pocket but still owned the room...he was amazing.
i ½Everyone I knew loved Ty. i ½His heart belonged to a gal named Annie in Florida. I will always remember the many fun nights out in clubs with Ty. He was addicted to music.

I will never forget the time we spent together. He was a magical person. We lost touch when I moved back to the midwest. I heard of his passing just this year. I will always remember his upbeat attitude, his wonderful smile, and his love for music.

He was a beautiful man.

“ As a musician, Ty Westerhoff had an immeasurable impact on me. I lacked the confidence to sing in front of people....Ty gave me that confidence as he consistently encouraged me and convinced me that I could do it. His praise of my guitar playing made me feel like a star and, to this day, every time I step on a stage I have a feeling of assurance that I owe to Ty. He possessed so much talent and was generous with his musical knowledge. He taught me a lot about live performance dicipline, vocal harmonies, different styles of music, etc. Ty Westerhoff is a figure in my life that will be greatly missed.##imported-begin##Dean Johnson##imported-end##

½My deepest sympathy goes out to the family. ½I dated Ty in high school and have fond memories of meeting him, of all places, the roller rink. ½He used to drive the coolest convertible rambler. ½½He was a great guitar player back then and didn't even know how to read music. ½He just played from listening to it. ½We went to Prom together and he looked great in a tuxedo, as he always did. ½I hadn't seen him in about 20 years but I'm sure he was such a nice, fun guy, just like he was in high school. ½You're in my prayers Ty!##imported-begin##DesNeiges (Martin) Richmond##imported-end##

“ Dear John and John,

I was so sorry to read of the loss of your son. I can't imagine losing one of your children and I will keep you in my prayers. I would have liked to attend the funeral, but my husband and I will be in Chicago tomorrow (Saturday) for the day and evening.

I was pleased to see that John's parents are still living. They were two of my favorite people growing up on the south side. I still remember wearing the boys' ice skates, which belonged to one of the boys because I didn't have any. I have great memories of hanging out with the Westerhoff boys and going to their house. I am blessed to still have my mother. My dad passed away 18 years ago. Roger and I have 15 grandchildren, and 3 great grandchildren. Your entire family is in our prayers.

“ Mr & Mrs. Westerhoff, Tami & Jeff, Rick and Dennis I am so very sorry for your loss. I have such fond memories of Ty from high school and working together at Southside Pharmacy. He put up with all my teasing and tormenting for 2+ years and we had quite a few interesting and humorous experiences during that time. He was also a talented baseball player. I really appreciated his friendship. I went to see him play when I was living in LA in 1992 and I was very impressed with his talent. I was also pleasantly surprised he played alot of Beatle songs during this performance and he played them so well. Your family is in my prayers
