“ Mimi I love you so much! I will miss you more than anything! I have so many great memories of you, but my two favorite are the times you held each of my children for the first time. The look of love in your eyes proved that you had more than enough love for all of your family. Thank you for teaching us to love and have purpose in life. In heaven or not, you've ALWAYS been an angel to me!!! I LOVE YOU!!!##imported-begin##michelle cyr##imported-end##
