“ Aunt Urs was such a special person. She is going to be very missed by the 3 of us. Mollie really enjoyed the Fridays that she visited with Aunt Urs when Mom and Dad were there after shopping for her.  
  
We take much comfort in knowing that she is now safe in the arms of our Heavenly Father. She was such a pure hearted woman who never had a bad word to say about anyone that I'm sure she was welcomed with open arms. I'm also very much at peace knowing that she has been re-united with Grandma. I think the past 2 years have been very hard on her since Grandma died and I can just see the 2 of them sitting down for a chat to catch up. Now the 4 of them are all together again; her and Uncle Lee and Grandma and Grandpa. What a wonderful thought that is for us!  
  
Bob, Linda, Carol, Butch and kids: I am so sorry for your loss. I know what a special person she was in our lives and can only imagine the depth of your sadness right now. Take comfort in the knowledge that she is safely Home with God and all that have gone before her. She is no longer bothered with pain or illnesses of any kind; she knows only peace and happiness. One of the nurses that was with her when she passed is one of my very best friends and the other was a very caring nurse and Aunt Urs was surrounded by both of their love and caring at that time, each one holding onto her hands for comfort.  
  
Mom and Dad, I know that this is extremely hard on you also. You saw Aunt Urs AT LEAST once a week and were always there when she needed someone quickly. After Grandma died, your special bond got even closer. She was very lucky to have you and I know that she loved and appreciated all you did for her more than she could ever express to you.  
  
You are all in our thoughts and our prayers at this very sad time.  
  
God Bless You all!  
  
With love,
