I wish that her grandson Nevin would have known her. One of her daughter's was sent to Pilot Point Maternity Home in Denton County Texas to give birth to baby boy Blair then give him away. DNA comparison has verified that Vada Watson Blair was her grandson.

“ Grandma,

It has been my sincere pleasure to know you for the past 20+ years. I will miss our talks about Jesus but I am so thankful that you will be there waiting for me when God calls me home. Sleep in peace and arise to all His splendor! I love you!!!

“ Dear Family,

It was a joy to have Vada in our church services each week! She always had a smile on her face and a welcomed hand. My family (especially all my little girls!) loved to hear her sing. She had a beautiful voice and even graced us with a solo one time and a duet with a staff member another. We looked forward to seeing her and listening. She now sings with the angels for our great God and Saviour. Praise the Lord for salvation!

Thank you for the privilege of "pastoring" her at Bradley Royale and allowing her to come to the services each week. She was an encouragement to me just by her presence. Please know that I and my family are praying for you and uplifting your name to the Lord for comfort and love.

May God's name be glorified, and may you feel His very near sustaining in these next days and weeks. Thank you again for allowing me to have a small part in loving her to the Lord. We will keep you in our prayers.

In Christ,

Rev. and Mrs. Terry Thrall and family
