“ *My sympathies to the family. I have worked with so many wonderful people during my many years of banking. Joy was a person I remember very fondly when I worked with her at Manteno Bank. I know she loved her kids and Randy. She was a well liked teller and a nice and very funny person. We have not kept in touch over these many years, but she was someone I will always remember. Neal and Gina, I know she will be horribly missed. Blessings to you during this difficult time. Georgann Butterfield.*

“ Your mom was a kind and loving woman and although we did not know her well, it was always very apparent how much she loved you, Neal & Gina and your families. May your wonderful memories of her help you through these difficult days.
