“ Memories; I have many... I know when I grow up I will be just like her. She and my dad had so much in common, nothing neither of them could not do. I got my hair licence, why? because she gave me guidance at a time when dad had passed and I needed a swift kick, mom didn't but Aunt Velma knew just what I needed. Her talent goes on and on and I am truly grateful to know I inherited some of what she had to offer and hope to seek more in future years...Thanks
We have so much to be thankful for.
Thanks for the rain...I know you made it.
