“ *Barry and family,*

Denise and I are so sorry to hear about the loss of your mother.

I have such fond memories of her during the years that she spent serving with me on the Village of Bourbonnais board, and she did so with a true desire to make a difference in our community.

With this ever changing world that we live in today, it is such a sad day when we lose someone like your mom who went over and above to make this place a little better than she found it. People like her are a rare breed today and she will be missed for sure.

We will keep all of you in our thoughts and prayers. 🙏

Sincerely, Brian and Denise Simeur

“ *Dear Barry and family,*

I am sorry not to be able to attend the visitation for your mother as I will be out of town. I remember her fondly. She was an active member of Our Savior Lutheran Church where my husband was pastor. She was a lovely person and I offer my sympathy for you at this time.
