“ *What began as neighbors next door, a growing relationship was formed for 35 years. During these years numerous

gatherings created joy filled memories.

In our minds we will relive these wonderful days we had together.

“ *I'm trying to do this but something isn't going right. ÿ½So you may have many messages from me. ÿ½Mom and I have been doing our share of remembering Jack and Vera. ÿ½We decided we always felt welcome at their house and there was always plenty of good food, fun, laughter and usually a card game in the kitchen. ÿ½Vera was a great gal to give that big puckered kiss right on the lips. ÿ½Yes, she will be missed as well as all those good times. ÿ½We are thinking of you all.##imported-begin##Mary Ann Badgley##imported-end##*

“ I know you don't know me but I am

a cook at Miller center, I had a few conversations with Mrs Damron

We talked about where she was

from etc. Loveley lady! There were

some Damrons from South Third

that knew my Aunt Violet Pinnow

She also is at Miller now. I think

it might have been her.

My prayers and thoughts are with

all of you.##imported-begin##sandra monferdini##imported-end##

“ So sorry we can not be there, but I know you know how we felt about Vera. I have thought so much about her and all the little coffees, pieces of pie, bowls of soup and spaghetti when we stopped by. What a wonderful lady she was and we will miss her. She was like my second mother in northern Illinois and I did appreciate her attention. Our sympathy goes out to both of you.
