“ Grandma was a very kind, gentle and loving person. She was the grandma that everyone wants to have in their life. I deeply regret not being able to see her before her passing. I hope she knows that she is always in my heart. I know that she is now reunited with my mother and grandfather and is at peace. I love you grandma.<br><br><br>your grandson, i ½David##imported-begin##David and Karen Marcotte##imported-end##
