Eula. thanks so very much for giving dad and few more years of laughs and happiness. He told me about the time he took you out for dinner. Apparently he went to the wash room and came out with one of those paper toilet seat covers and put it around your neck cause you were always spilling. To bad he is not with us any longer he missing all the good CUBS games. He loved to play jokes on people. We will sure miss him. Pat Tapp and fam.
