“ *My sympathy to Vern's family. Vern farmed for me for a few years and after retirement came to visit occasionally to talk about old tractors and old cars. His visits were always short but enjoyable to talk about old times.*

“ *Vernon was a year a head of me in school, but he always had time for everyone. He was a great guy and did so much for so many. I am so sorry for his passing. But I know God has things in store for him and he isn't suffering anymore. Love and Sympathy Thelma Webber*

“ *Vernon was a resident here at Briar Place Nursing Center. He often talked about his duties and jobs as a farmer. He really enjoyed talking about the farm animals, in particular, the horses. We offer our sincere condolences to the Hertz family. Vernon will greatly be missed.*
