“ Bob and Amy; Laura, Marilyn and Robert: We've been friends for quite a few years and you've become our extended family. Your loss is our loss. We pray that God will hold you in his arms and comfort you all as you work through your grief. Your parents have been a vital part of your lives and it will take time to learn how to carry on without them. Take comfort in knowing that you did the very best you could for your Mother while she made her transition into Heaven. I know she appreciates all you did for her.##imported-begin##Paul and Mary Becker##imported-end##
