“ Sunny & Diane, I am so very sorry for your loss. I have a million wonderful memories of your mother. The way she always remembered my mini touched me beyond words. I'm happy she is soaring the skies with Arnie again. God rest her soul

“ Remember Vi from Gould National Battery. She always had a smile and seemed to enjoy her work and the people she worked with. As many of us who worked at Gould remember that Vi never seemed to get dirty. She did the same work as many of us but oils, dirt, compound, grease, never seemed to stick to her. She was "one in a million".

“ I worked in the same dept with Vi for a short time at GNB back in the 70's and remember her as a very pretty & nice lady who always amazed me how she could wear a pair of white slacks to work and never get them dirty in spite of being a very hard worker. Most of the old timers from back then are unfortunately gone now and Vi was one of the best.

Arnie, Vi. Peggy and Kenneth hold a very special place in my heart of special memories. They were next door neighbors for many years. We watched Peggy and Kenneth grow up. So sorry for your loss. So many of my family, friends and neighbors are gone now and each one leaves a void in my heart.

Sincerely with love to Vi's loved ones.
