“ *Vicki was a student of mine during my first year on the faculty at KCC. She was bright, talented, determined, and focused, and she sparked others to give their best as well. As a tutor, she had a wonderful blend of compassion and motivation that made her a sought-after resource among students. It's true that I never saw her without a smile on her face. She made that first year of teaching truly delightful, and I'm so sorry to hear of her passing. Please accept my heartfelt condolences on your loss. --Dr. Kristine M. “ Vicki was a dear friend of mine. She was a genuine caring person who you could be real with. I could talk to Vicki about anything. We'd often visit at the Love shop. Sadly we lost touch after we both got married and moved away. I'll always cherish the visit we had a couple years ago at the love shop anniversary party. So many hugs, tears and laughs! I am going to miss her. I can hear her sweet laugh when I look at all these pictures of her.

“ Vicky always had a smile on her face no matter what she was going thru. Such a sweet wonderful person. We got to know Vicky & Clint as part of our Skooters Idol promotion at Skooters Roadhouse. Vicky & Clint had their own table each week right up front. We had some great times together and even saw Clint sing a few songs, always to Vicky and always Garth Brooks! We're sorry for your loss. “ My deepest sympathy to Clint, Vicki's parents and her entire family ! Most of my memories of Vicki revolve around horses. Her love for the horses was only surpassed by her love for people, and life itself, which she lived to the fullest, and with great joy !! miss her so much and am so thankful to have her as a friend.

“ Vicki was one of my best friends since I met her in high school youth group. I have the best memories of us all hanging out at Mr. and Mrs. Piggush's house and riding the go cart through pathways and jumping the trampoline. Vicki used to pick me up and drive me to KCC because I couldn't drive. She was always helpful like that. I had to move to Fort Wayne my senior year, but would come to visit, and Vicki planned me a big 19th surprise party complete with new friends from Indiana. She was always sneaky like that. We always kept in touch and would listen to each other's various problems and accomplishments over the years with three hour long phone calls. She even came to my wedding in 2016. She was always thoughtful like that. I can't tell you how much I will miss her, or her hand made cards on my birthday, or knowing she is a phone call away. She was a spitfire. My condolences to Clint and her wonderful parents and family. Sending prayers and comfort to all.

“ Vicki was a great friend! She got me into scrapbooking and always said she created a monster. I remember spending the night and her Mom having to come upstairs to tell us to go to bed. When she came over to visit we talked all night. She was my good friend and I'm really going to miss her!

“ It's been years since we spoke Vicky, you and your parents were a big influence on my life I sure am going to miss you. I'll always remember are late night studies and your obsession with my grape Kool-Aid! I still have the calendar that you made me you were so talented and so crafty but most of all your faith was my favorite part of you. you helped bring me back to the Catholic faith and raise my children with that influence. You were my light in a dark time. God bless you and your family.

My many thoughts and prayers are with you, Clint, and your dear sweet Vicki. My heart aches for you. And is consoled that Vicki is resting in Jesus' arms. We will never forget your beautiful wedding that we were privileged to attend. My dear departed Pat raved about the whole blessed event for a long time ~ from the music you picked out through the beautiful vows you shared. It truly was inspiring and we felt that God really made a perfect match with you two that day. I send my love to you and the whole family. God bless you.
