“ My sincere prayers and condolences to Vic’s family— we know he truly loved you dearly! My husband Dave and Vic shared many sporting moments together, in person as well as text as years went by. Nascar brought us together, but the true bond was their shared loved of the Packers🍀🍀! I’m sure Dave showed Vic the best seat in the stadium this past weekend, and I will relish that thought forever💕. Rest in peace🙏

“ Stacy and Steph,
I am sorry I could not convey my condolences in person. I know the pain of losing your dad is unbearable, I can only pray it gets a little easier in time, and his memories will keep you strong. He was a great father, loved by all who knew him, and he loved you so very much.
Rest In Peace Vic, you will be greatly missed.

“ My condolences to the family and prayers. Vic was a great person and the best boss any one could ask for. He was always nice to everyone and he would help anyone that crossed his pass. I remember working for him at the group home and I was the head cook he would always tell me to make him a plate for a king and we would laugh I'm going to miss that smile and the fun times we had at work. You will be truly missed Vic. RIP Vic Love ❤️ you Cindy

I have known Vic for 26 years.. I met him through work and immediately liked him. Vic was a kind quiet man and had a great love for motorcycles and animals. He also loved to have a good debate over politics. He touched so many lives and will be sorely missed by all. Fly high, Vic!! Until we meet again!
