“ *Vicky will be missed by so many. I will always remember how I admired her for all of her accomplishments and yet remained humble. She was a great lady. May our Lord bring comfort to her family.*

“ *I will remember Vicky's graciousness and that of the family, when I...was a new priest, doing the committal service for Giovanni at All Saints and still having post-it notes in my book from the funeral mass a few days earlier, which was my first funeral. I was still a little nervous, and I think I called him Willard by mistake in one of the prayers. Vicky and Giovanni's family was so gracious, and the family probably ministered to me more that day that I did to them. Prayers that Vicky may rest in peace and healing for the family. Fr.
