“ Richard,

I am not sure you remember me, but we went through grade school and high school. I am very sorry to read about the lost of your wife, but our prayers and thoughts are with you. It is hard to believe but this is our 50th year from graduating from BBCHS. I was hoping that you could have made it to our 50th reunion. It really doesn't seem possible that we finished High School 50 years ago. I hope our paiths cross in the future.
