“ Birdella and Gary, So sorry for your loss. She was a dear friend for over 70 years. First to invite me to her B'day party, your dad picked me up and took me home. I spoke no English at the time. The nuns telling me its safe. No one else showed up from class. I felt bad for her. She told my daughter on our trip to visit that she also felt bad for me as kids made fun of me. Whatever it was that drew us to be friends. I will miss her cards, letters and of course her. My God grant her Eternal rest and peace. Love to both of you.

“ Virginia and I shared many discussions about the good old days and all the changes in the world leading up to today. She had maintained a great memory and liked to read and hear the news and weather reports daily. I will definitely miss our trips to Mass every week and her friendship. She is dearly missed!
