“ *Mrs. Wayer made the school and Religious Ed. so much brighter and happier with her smile, laugh and endless joy! I had the blessing of working with her with the Religious Ed. program. She had such creative ideas and always grace and mercy and loving kindness for the children who needed an extra hand. I never forget she and Mr. Wayer dancing to the music of mariachi at our wedding reception! She will always be in our hearts and greatly missed! Love and prayers to Mr. Wayer and their kids and grandkids and extended family. She is smiling down from heaven on you!*
