“ *Dear cousins, sincere condolences on the passing of Walt and Bonnie Nolan. We are grateful to have seen them and you when we visited Aunt Janet in times past. Psalm 23 is so reassuring for our present and future with Christ -- may you see God's goodness and mercy following you all the days of your life and forever. “ *Kim and family, Mark and I are so sorry for your losses. We had no idea about your mom and now your dad. We thought of them often and will miss them dearly. I miss chatting with them and listening to their countless stories. I was just telling Mark that we should make a surprise stop after the baby was born and surprise them with our addition. Our deepest sympathy to you and your family.*
