**Clancy-Gernon Funeral Homes** - December 07, 2010 at 01:55 PM

“ Wanda has been a friend of mine since before she married Virgil. We did things together as couples. We talked about raising our children. I kept in touch with her after her move west and the last several cards I sent to her were returned she must have moved.  
  
I have good memories of her. She loved her children very much.##imported-begin##Margaret Keen##imported-end##
