“ Our condolences to all of Wanda's family. ĩ½We have known your Mom for a long time, but I guess I never knew her wonderful family until she was next to my Mom (Gen Berger) in the hospital. ĩ½The family bond was so evident. ĩ½One day I waved to your Mom in her hospital bed & even though she was so sick, she still smiled & waved back! ĩ½May many fond memories & God's promise bring you comfort & peace at this difficult time. ĩ½You are in our prayers.##imported-begin##Ed & Bonnie Matherly##imported-end##

“ It is with much saddness that I write  
this note. I am sure  
God will be with  
you at this time.  
My  
Mother Goldie Knecht McElwee was sister to Aunt Pearl. I spent  
many evenings going to the farm as a young  
girl. What a  
wonderful family. I am proud to be related to the Denault family.  
Always kept in touch when I came  
back to Illinois. I had  
lunch with your  
Mom a couple years ago.  
Children, always remember they are gone  
from sight  
but never forgotten.  
Sincerely,   
Cousin

“ I just wanted to tell you how much i enjoyed your Mother.<br><br>Years ago we really started talking when she would come into Medcentre with your grandfather to have blood drawn..She always requested me and appreciated the fact i could get the job done with out multiple sticks. When your father passed away and Jim passed away, we shared stories and tears. More than once at baseball games we'd sit and reminisce. It does a heart good to talk,and i suppose since we both were dealing with the same issue, it was easy to converse and share the emotions. Many times we talked of you boys and your sports growing up. She was so proud of you all. (Diane included)<br><br> I just wanted to tell you how much i appreciated her and her kindness, I'll miss her smile and hugs. Thank heaven for memories.They keep those we love and have lost alive in our souls.<br><br>You have my deepest sympathy,God just welcomed a lovely lady home. <br><br>##imported-begin##Sue Jensen##imported-end##
