“ Aunt Wanda, Was the best Aunt . She was so much fun, and always had and encouraging word. She became one of my best friends over her later years, and I talked to her almost everyday. She will be missed very much.

Wanda and Bill welcomed us when we first came to this neighborhood in 1976 and have always been a wonderful part of our lives. They truly knew the meaning of what it meant to be a good neighbor. We miss them both!
