“ My condolences goes out to the family. Wayne was a really
great guy. I worked with him out at Manteno Schools while
subbing for the district. He cared so much for the kids and
always talked about the ones his wife took care of too. His
family meant so much and he spoke of them often too. Will be
greatly missed.###imported-begin###Leeann Keilman###imported-

“ I remember you as a teacher's aide at Manteno Elementary, when I was in 3rd-5th grade. You were always there for me, though the rough times. I remember you when you referred Christie's games at Maternity School. You were always a Christian man to me. We had fun at Chicago's Science and Industry Musuem.
