Sincere condolences to Jackie and family. Wilbur was a kind and friendly neighbor with such a good heart. Often as I passed the house he would be sitting in his favorite spot with his dog. I would give a short toot and he would wave and give that big smile. He will be sorely missed. RIP.

Wilbur was a great and friendly neighbor. He will be truly missed, because when I would go outside in the mornings to pick up my paper he would also be outside sitting with his dog. I would give a whistle he would always look up with a big smile and wave, I will certainly miss that. My condolences to his family.
