“ Dear Bill & Judy, I just saw the obituary in the paper, and was shocked. I called Mom to tell her. She was shocked also. She is in CA. w/Monica & 1/2 of her family. I'm sure she will try to be in touch. Looking at the picture, he hasn't changed. The Devine family will always remember him as 'Billy'. On behalf of the whole family; please know that we will be thinking about you. We send you & Kelly long hugs & much love. Please extend our sympathy to his wife & sons. Joe Devine

“ So very sorry about the loss. Bill did bring joy to people's lives. We had business lunches quite often and his personality drew people to our table like moths to a flame. Everyone who came in contact with him walked away with a smile. We have been friends for the last 9 years and I wouldn't trade that for anything.
