“ Words alone cannot express how I feel, but I will try. Yolanda "Yo" was not only my Mother-in-law for almost 30 years she was also my friend, someone I could always share my feelings with and she was my rock when i needed it. She always took care of me and my sons, she welcomed all of us into her family from day 1. We laughed, we cried, we giggled and the stories we shared were so many. She was absolutely the best "Mother-in-law". I will miss her late night calls, her wit, and her way of always trying to make things better, but most of all I will just miss her. I know you are in heaven now watching over all of us and my heart is broken. You are with all of our loved ones who I know welcomed you with open arms, so you are safe and secure. Rest in peace, I love you so very much.
