“ *Michele, Annette, Richard and family:
Our deepest condolences to you all. Your parents and your entire family always have been such a bright light for our family. We still put ornaments on the tree that Zenovia made, crocheted doll on my bed and so many pictures of the wonderful memories of my boys spending so many special times with your beautiful parents. My heart aches for your loss but celebrate the fact that they are together again. Your Mother will be so missed and always loved. You are all great individuals that I know they were so extremely proud of. Lots of love to you and your family.*

Love, Dee, Doug and family
